

Eissport-Verband NRW e.V. • Strobelallee 32 • 44139 Dortmund

The Eissport-Verband Nordrhein-Westfalen e.V. is home to the sports of figure skating, speed skating, curling and ice stock sport. We are one of the largest German regional ice sports associations.

As soon as possible we are offering for our national performance center in 47929 Grefrath the position of the

national trainer in speed skating (m/f)

(Landestrainer/in Eisschnelllauf)

Your tasks:

- The main focus is the organization, management and implementation of training at the base in Grefrath and the training and introduction of young talents in speed skating. This includes the shorttrack locations in Mönnesee and Cologne.
- The athletes have to be prepared in terms of training method, technical, physical and mental abilities, in the course of the year so that they can achieve the goals of the DESG and the LEV NRW (Eissport-Verband Nordrhein-Westfalen) at major competitions. Essential part of your work is to introduce the athletes to a long-term performance development.
- Responsibility for the creation and realization of individual training plans in coordination with DESG (Deutsche Eisschnelllauf Gemeinschaft)
- Implementation of qualitative and quantitative specifications
- The Preparation and management of trainer sessions, participation in material coordination and material optimization
- Cooperation with the coaches of the local speed skating clubs and the coaching team of DESG
- Coordination of training and competition measures (annual planning)
- Conceptual participation in the committee of the competitive sports association committee
- Enforcement and control of training data documentation
- Active participation in the fight against doping

- Participation in further training measures of DESG and LSB NRW (Landessportbund NRW)

Teamwork skills, collegial, constructive and fair cooperation with colleagues are required.

The following requirements should be met (the required trainer licenses are to be understood for specific sports):

- Graduate trainer (DOSB trainer academy) or trainer A license

or

- Diploma sports instructor / sports scientist + Trainer C license (with the fastest possible acquisition of the Trainer B and A license)

or

- Bachelor in Sport Science + Trainer C license (with the fastest possible acquisition of the Trainer B and A license).

or

- At least 1st state examination in Sport + Trainer C license (with the fastest possible acquisition of the Trainer B and A license).

If you have not acquired your trainer qualifications in Germany, your application will be checked for comparability with the German standards. The same applies to the other qualifications.

If we have aroused your interest in the position, please send your complete application documents, stating your salary expectations only online under the keyword "Bewerbung Landestrainer Eisschnelllauf" to info@lev-nrw.de .

For inquiries by telephone, Mr. Bernd Häuser - Vice President LEV-NRW- will be happy to help you on +49 176 808409118.

We look forward to receiving your application!
